

To whom it may concern,

I, Heidi de Villiers, Regional Manager-South Africa of IFG, hereby confirm that IFG is the exclusive owner of the Plant Breeder's rights of all IFG varieties. IFG has signed contractual agreements with Voor-Groenberg Nursery to allow them to graft and propagate plant material of all table grape varieties owned and managed by IFG.

On instruction by IFG, plant material of IFG owned and managed varieties can be propagated and supplied to commercial table grape growers in South Africa and Namibia or as requested by IFG.

For any further enquiries please contact Heidi de Villiers.
Thank you

Sincerely,

HdeVilliers

Heidi de Villiers
Regional Manager: South Africa
